

December 2010 Newsletter

The December meeting: The regular date for our meeting (3rd Monday) is December 20. No formal meeting is planned, however we will have a good aviation movie going, coffee, donuts, and socializing for those who are able to drop in at the Club House that evening. 7:30 PM

Election of Officers: We are pleased to announce the new slate of officers for the upcoming year.
 President: Dale Brown
 Secretary/ Newsletter: Bert Lougheed
 Treasurer: Jim Thoreson
 Website controller: Norm Vienneau
 Membership: Colin Heuven
 Programs: Matt Glover & Randy Engler

Membership Dues: A motion was made, seconded, and passed at the last meeting to raise the membership fees. They had not been changed for several years and the cost of heat and electricity have increased substantially. The new rate will be \$50 for a regular membership and \$100 for corporate memberships.

Mike's Retirement: About 100 friends and family helped celebrate Mike Sutherlands retirement. After 35 years with Flight Service, Mike decided to let somebody else have the fun of keeping us

organized in the air. Mike, you did a great job, talked to us politely (when the microphone was on) and kept us from flying into each other. We couldn't ask for more than that. Happy retirement and best wishes for a great acting career.

The Harvard Rocks:

We still have a couple of sad rocks that don't have an owner/sponsor. If you plan to be involved, please bring your \$200 cheque to the next meeting or phone Jim Thoreson to secure one.

November 11 at the Harvard:

About 35 people attended a very touching service held at the base of the Harvard at 2:30 PM on November 11. Gary Hillman capably conducted the service. Wreaths were laid by the Deibert family, the Harvard Historical Aviation Society, the Flying Club, and CASARA. We are sure that this will be the start of an annual event which will grow in numbers each year.

Moose Milk ! Skywings has extended an invitation to us to join them for Mooose Milk on Dec. 15 from 2:30 PM until the moose runs dry!
