

## November 2010 Newsletter

**The November meeting** of the Flying Club will be held at 7:30 PM on Monday, November 15, in the clubhouse north of the Terminal Building at the Red Deer Airport. Guest for the evening will be Glen Crandall, the owner of the beautiful Norseman that is hangared at Skywings. Glen has been a pilot for many years and will enjoy telling about his experiences and taking us over to Skywings for a close look at the plane. We are very fortunate to have some of these classics like the A-26's the Canso's and the Norseman right on our field. They won't be there for ever. So please be sure to attend and bring a friend. Let's have a great turn-out for this one.

**Election of Officers:** We are pleased that several of our members will be adding their names to the list of nominees for the election to be held on November 15.

**Christmas Party:** This year, the Christmas Party will be a sit-down dinner 5:30 PM, December 4. Darcie will be setting the tables in the west rotunda near the windows. The meal will be turkey with all the trimmings. The cost is \$17.50 per person. Tickets will

be sold in advance so that she will know exactly the number of people that will attend. We will be inviting CASARA members to join us as well as friends from Innisfail & Lacombe. You are welcome to bring guests. Just be sure to get your tickets early. Tickets are available until Nov. 29 at the Circuit Café. Don't wait too long. After we have the meal, we'll adjourn to the Flying Club building for visiting and entertainment. We already have a couple of entertainment items booked.

### **The Harvard Rocks:**

We need to have all of the members who wanted to sponsor a rock, honor their commitment. Could you please bring your \$200 cheque to the next meeting. This may keep us from having to run bingos!
