

### March 2011 Newsletter

**The March meeting:** The regular date for our meeting (3<sup>rd</sup> Monday) is March 21. The guest presenter for the evening will be **Phil Goyer from Transport Canada's Enforcement Department**. This should be a really interesting program. Since he is coming all the way from Edmonton, let's fill the room with

**Membership Dues:** A motion was made, meeting to raise the membership fees. They had not been changed for several years and the cost of heat and electricity have increased substantially. The new rate will be \$50 for a regular membership and \$100 for corporate memberships. Please bring your cheque for Colin Heuven our new Membership person.

### The Harvard Rocks:

We still have a couple of sad rocks that don't have an owner/sponsor. If you plan to be involved, please bring your \$200 cheque to the next meeting or phone Jim Thoreson to secure one.

**Our Monthly Fly Out:** Our neat little monthly fly-out don't always happen as planned. Sometimes weather screws us up like in February when we could hardly see the wind sock!. For this month, Norm has arranged for us to fly to Rocky Mountain House on Saturday, March 26 for a visit

with Airport Manager Ken Fowler . Ken is the builder of the Harmon Rocket which he flies in Canadian aerobatic competitions. Some of the Innisfail and Lacombe flyers may also join in the tour, We will maybe have lunch downtown.

### May 1 Fly-In / Drive-In Pancake Breakfast

The plan to have a major Rust Remove Seminar sponsored by Alberta Aviation has fallen through. So this year we will just put on a regular fly-in / drive-in pancake breakfast. We plan to advertise more widely to try to attract more people from Springbrook, Penhold, Red Deer City etc. We will need a large crew of volunteers so please reserve April 30 for the set up and May 1 for helping with the breakfast.

### Circuit Café to Open on Saturdays:

Darcie has informed us that the Café will be open on Saturdays and Holidays starting on March 12. Tell your friends – she needs our support. It's so great to have a place to fly into for lunch on Saturdays.
