COPA FLIGHT 92

SEPTEMBER PROGRAM
MONDAY SEPTEMBER 16,
19:30 HRS.

Scott Elliston, retired military search and rescue technician (SAR Tech), will bring a presentation on crash survivability. Scott now lives in Red Deer and is a member of CASARA Red Deer. Scott has a wealth of experience to share and gives an excellent presentation.

In order to allow Scott ample time for his presentation there will be no formal RDFC business meeting.

RAM FALLS AIRSTRIP

Ram Falls Airstrip has never been in better shape. In mid June all the ruts were filled in, the entire strip was packed, and some grass was cut. August 31, Abe Derksen and his grandson returned with the "Big Green Machine" and mowed the entire strip. **Many thanks Abe.**

QUIZ

June unknown aircraft: Fairchild PT-23. What is the unusual aircraft in the upper right corner? Only 380 of all variants built. First flight 1933.
