## **COPA FLIGHT 92**

### **MONDAY March 20, 19:30 REGULAR CLUB MEETING**

Our guest speaker will be Graham Ingham  
Red Deer Airport Chief Executive Officer.

He has flown a variety of aircraft types including the B727, B737, A320 and A330. Additionally he has held a number of Senior Management positions including Director of Flight Operations, Manager Flight Training and Company Emergency Response Director. He most recently held a Senior Product Management and Sales position with FLYHT Aerospace Solutions, an aviation software company based in Calgary.

### **RDFC Rust Remover - May**

We are returning to our "roots" and will be hosting our traditional pancake breakfast followed by 3 safety topics and lunch. The Safety Seminar will meet your Transport Canada 24 month re current training program requirements.

Completing the self-paced study program in the December edition of the COPA magazine will also satisfy the recency requirements.

### **QUIZ**

Which member of the RDFC is our newest private pilot?
