

Circuit Cafe is open - Congratulations Darcie & Paul

Red Deer Flying Club COPA Flight 92

April, 2010 Newsletter

Please mark your calendar or Blackberry:
And don't miss this one !

The April 2010 meeting of the Flying Club will be held on April 19, the third Monday of the month, at 7:30 PM at the Club House. The program for the evening will be a visual presentation by Glenn Chong from the Innisfail Flying Club. Glenn has just returned from flying his Mooney all the way to the Dominican Republic (and back). How many of us would have the guts to fly our single engine plane over the water like that? So be sure to attend and bring a friend.

Yahoo ! March 20 was the second of our little recreational fly-outs. Eleven planes and about 30 people arrived at the Reynolds Museum for a grand tour. The ramp and gate were opened by the museum staff and a warm welcome was enjoyed when Barry, one of the staff, gave us a introductory briefing. After spending some time in the aviation hall RDFC members proceeded to the main building to view more exhibits and enjoy burgers and fries. Aircraft started departing about 1 pm and smooth flight home was enjoyed by all.

Correction: XXXXXXXXXXXX

The Pancake Breakfast & Rust Remover WILL be held on Sunday, May 2 not the date stated in the last newsletter. We have three really important sessions booked for the Rust Remover and we are also looking forward to a great breakfast. We are counting on all of our members to turn out and help.

We're planning to continue our flying activities again next month. So on the Saturday or (rain date Sunday) following our regular meeting (April 24) we will again meet at the Flying Club and head out to Linden for pie or lunch. Again, there should be an extra seat or two for those who are not airplane owners. We hope people from Innisfail and Lacombe will go too.

In the next months we may fly out to such places as Ram Falls, Red Deer Forestry, Edmonton Muni, Hillman's, Loughheed's, Rimbey, or even Tipitinas 2 in Lacombe !
