

## **COPA FLIGHT 92**

### **MONDAY January 16,, 19:30 REGULAR CLUB MEETING**

Please join us for an evening of aviation fellowship. The guest speaker will be Mark Hovdenstar from Remote Piloted Air Systems of Calgary. Use of "drones" and other systems in agriculture and related areas.

### **RDFC Rust Remover - May**

We are returning to our "roots" and will be hosting our traditional pancake breakfast followed by 3 safety topics and lunch. The Safety Seminar will meet your Transport Canada 24 month re current training program requirements.

Completing the self-paced study program in the December edition of the COPA magazine will also satisfy the recency requirements.

### **TIPS FROM THE TOOLBOX AND FROM THE RIGHT SEAT**

Gary and Kim will return in February.

### **CHRISTMAS PARTY**

The Many thanks to Phillip and Colleen Anderson for organizing the banquet. Ethan had promised to publish a photo of him driving

## **JAN 2017 NEWSLETTER**
